RSC Members,

May 2, 2023

The temperatures are rising, the sun is beginning to creep through, the flowers are blooming, and we all know what that means - summer is coming! If you drive by 100 Bloomingbank you will see that we are hard at work getting ready - the water is IN THE POOLS and the furniture is being prepped and placed on the deck.

Our membership remains solid at 550 total member families. We have a waitlist of 150 families - RSC is truly the place to be. We are welcoming back several seasoned staff members and you will also see many new faces in the lifeguard and snack shop employee ranks. With a full membership, our focus over the next few weeks is staff education, policy and procedure improvement and training. We as a Board are auditing our pool rules with a focus on safety and respect.

Speaking of respect, you will notice that is our theme this season. We are all very lucky to be a part of the RSC family, and we'd like your help in protecting our little gem. We ask that you respect your fellow members, respect the pool rules and staff, and take care of our lovely property. We take pride in our club and hope that you do too!

We have a lot of fun activities and additional offerings planned this season. Our aquatics program will continue to offer all programs. We are hoping to bring another Swim Team Conference win this year - GO CUDAS! We will continue to offer in-season partial rentals as well as social events. We are excited to announce the launch of our Day Camp program. This is a great way for our families with young children to engage in the RSC community and make lasting friendships.

Finally, I want to recognize the efforts of the Board in volunteering their time and ideas necessary to make this club as successful as it is. The Board has a tradition of active engagement in all aspects, both visible and behind the scenes, and the Riverside Swim Club would not be here without the dedication of these Board members. Please thank them for their efforts. We also rely heavily on volunteer help from our members for our social events and aquatics programs. Thanks to those that devote their time, it takes a village! If you are interested in volunteer opportunities at the RSC please reach out, we would love to get you engaged in our community.

We are looking forward to a great season - see you at the pool!

Sincerely,

Allison Evans, President
